## FOURTEENTH ANNUAL REPORT

*of the*

## State Racing Commission

*for the*

Year Ending December 31, 1948

294 WASHINGTON STREET, BOSTON

1949  
45

MASSACHUSETTS  
FOURTEENTH ANNUAL REPORT

APR 5 1949  
of the

MASSACHUSETTS STATE RACING COMMISSION

December 31, 1948.

*To the Honorable Senate and House of Representatives:*

Pursuant to the provisions of section two of chapter 374 of the Acts of 1934 the State Racing Commission respectfully submits its Fourteenth Annual Report for the year ending December 31, 1948.

COMMISSION

The Commission during the past year consisted:

Harold R. Allen of Brockton—Chairman

Owen A. Gallagher of Boston

Allan M. Macleod of Newton—Reappointed to a three-year term by Governor Robert F. Bradford on February 4, 1948, confirmed by the Executive Council and sworn in on February 11, 1948.

MEETINGS AND HEARINGS

During the period covered by this report the Commission held fifty-nine (59) executive meetings at the office of the Commission in Boston and at the Commission offices at the various tracks.

In addition to these executive meetings, the Commission held eleven public hearings on applications for licenses to conduct horse and dog racing meetings. These hearings, all conducted at night, were held in Boston, Revere, Dighton, Raynham, Foxboro, Tyngsborough and Topsfield.

Hearings were held on eleven (11) appeals from decisions of racing officials.

The Commission considered and approved the following rulings:

Eighteen (18) rulings of the Stewards of the Suffolk Downs meeting.

Thirty-two (32) rulings of the Judges at the Bay State Raceway.

Six (6) rulings of the Stewards at the Marshfield Fair.

Two (2) rulings of the Judges of the Topsfield Fair.

Three (3) rulings of the Stewards at the Northampton Fair.

Three (3) rulings of the Stewards at the Weymouth Fair.

Seven (7) rulings of the Stewards at the Barrington Fair.

In eight (8) cases the rulings of the racing officials were extended by this Commission.

LEGISLATIVE COMMITTEES

The members of the Commission appeared before various committees of the Legislature on matters pertaining to racing.

The Commission has endeavored at all times to cooperate in every way with the members of the various committees of the Legislature and has furnished the committees with all information and figures requested.

## RULES OF HORSE RACING

The Commission reviewed and revised the rules of horse racing previously in effect and after adopting several changes in the rules had printed a new rule book entitled "Rules of Horse Racing—1948."

## RULES OF DOG RACING

As in the case of the Rules of Horse Racing, a very thorough review of the rules of dog racing was made. A new book entitled "Rules of Dog Racing—1948" was printed and these rules were in effect during the year of 1948.

## POLICING AT THE TRACKS

The Commission wishes again to extend its sincere appreciation to the Commissioner of Public Safety for the splendid cooperation which he has shown during the past year in the matter of policing at all of the tracks.

Uniformed state police officers were assigned to the horse tracks, the harness meeting and the fairs throughout the State. These officers were on guard during the taking of the saliva and urine samples. In addition, special plain clothes officers were assigned in the stable areas, and the detective branch of the state police was represented at all the tracks during the past year.

The Commission believes that the fine cooperation shown by the Commissioner of Public Safety and every one of the men assigned to the tracks went a long way in providing racing during the past year with the success which it attained.

The system of assigning two uniformed state police officers at the dog tracks was inaugurated. These men were assigned to the Commission Office at the various tracks and were most helpful to the Commission officials.

## SALIVA AND URINE TESTS

The Commission continued the program of saliva and urine analysis instituted in 1946. This program calls for the analysis to be handled by the State Police Chemist with the cooperation of the uniformed branch of the state police acting as guards during the taking of these samples. Through the augmented forces of state police officers assigned to the Commission, it was possible to have the horses under surveillance from the time the race was over until the saliva was taken and thence to the barns for the taking of the urine test. During the year of 1948 several states have had their representatives at the tracks in Massachusetts to study the procedure followed—and have then adopted the same system in their states. The system has also met with the approval of the horsemen through the safeguards it offers to the horses under their control from tampering after the race is over.

To strengthen this system the Commission in cooperation with the Commissioner of Public Safety has set up at the State Police Laboratory, 1010 Commonwealth Avenue, Boston, a new and separate laboratory which is devoted entirely to the analysis of specimens submitted by the Commission from the various tracks. The Commission is happy to have been of assistance to the Department of Public Safety in the establishment of this new laboratory.

As a result of the new facilities at the State Police Laboratory it was possible for the Commission to inaugurate, during the past year, a system of obtaining urine samples of dogs racing at all dog tracks in Massachusetts. This is the first time that a real determined effort has been made by the Commission in this direction. In the past, due to limited facilities in the testing of these specimens, the taking of the sample was only spotty. It is the intention of the Commission in the future to develop a system of taking samples of urine from dogs—that will compare favorably with the one now in vogue at the horse tracks.

During the year of 1948, 1,276 samples of saliva were taken from 789 different horses; 831 samples of urine were taken from 613 different horses. In addition, 685 samples of urine were obtained from dogs racing in the Commonwealth. Each and every sample taken was analyzed.

From the analysis of the above samples two positive cases were reported by the State Police Chemist. Both of these cases were at the Marshfield Fair.

The Commission took the following action on persons connected with the two horses that had been stimulated:

One trainer was suspended from August 28, to December 31, 1948.

One trainer was suspended from August 30, to December 31, 1948.

One owner was suspended from August 30, to November 16, 1948.

One owner was suspended from August 28, and is still under suspension.

A complete and careful investigation was made by the Commission and State Police Detectives assigned to the track. No evidence could be obtained from the investigations as to who had actually stimulated the horses. The suspensions handed down by the Commission were for failing to properly guard the horses previous to the time of the race.

#### UNPAID PARI-MUTUEL TICKETS

During the year of 1948 an amount of \$56,198.00 was collected on account of unpaid pari-mutuel tickets sold during the year of 1946 (after July 1, 1946, when the law became effective).

An audit is now being conducted of the books of the various associations covering the amount held by these associations on account of unpaid pari-mutuel tickets sold during the year of 1947. Although this audit is not completed at this time it now appears that the following amounts will be received:

Eastern Racing Association, Inc.....	\$34,888.10
Revere Racing Association, Inc.....	21,574.20
Taunton Greyhound Assoc., Inc.....	6,461.00
Massasoit Greyhound Association, Inc.....	4,768.70
Bay State Harness Horse Racing and Breeding Assoc., Inc.	4,360.80
Bristol County Veterans' Charitable Foundation.....	912.50
Barrington Fair Association, Inc.....	1,675.60
Hampshire, Franklin and Hampden Agricultural Society....	1,447.20
Marshfield Agricultural and Horticultural Society.....	615.90
Brockton Agricultural Society.....	481.00
Weymouth Agricultural and Industrial Society.....	246.60
Essex Agricultural Society.....	168.20
Middleboro Agricultural Society.....	173.40

---

\$77,773.20

From the above it would seem that a total of \$77,773.20 will be realized from unpaid pari-mutuel tickets not cashed for the year of 1947. There may be a slight variance from the above total inasmuch as the Commission accountants are now checking the records of each association to ascertain that the above amounts as reported are correct—and that they have in their files cancelled checks and cashed tickets that will reconcile the total reported and the amount shown on the pari-mutuel records on the closing day of each meeting.

#### NEW LEGISLATION

During the legislative session of 1948 the Legislature enacted several bills affecting racing. The Commission is listing below these various bills and their effect on the racing law:

Chapter 220—An Act increasing temporarily the tax imposed by the Commonwealth on amounts wagered at certain horse and dog racing meetings conducted under the pari-mutuel or certificate system of wagering.

This Act provided that in addition to any amount required to be withheld under the provisions of section five of chapter 128-A of the General Laws by any licensee conducting a horse or dog racing meeting, such licensee shall withhold an amount equal to one per cent (1%) of the total amount wagered on each day of such meeting conducted during the years 1948 and 1949 and shall pay the same to the State Racing Commission.

This one per cent (1%) in effect during the year of 1948 brought in an additional amount of \$1,278,870.48.

Chapter 437—An Act further regulating the approval of locations for holding horse and dog racing meetings at which the pari-mutuel system of wagering shall be permitted.

This Act provides that after approval has been obtained from the selectmen of a town on the site of a proposed track—the question must then be submitted to the voters of the town at the next annual town election. Approval by the voters must be obtained in order to validate the approval by the Selectmen. It also provides that if an application is disapproved by the Selectmen or the voters, the applicant cannot file another application for three years. In addition, when approval is obtained, the question must be submitted to the Selectmen and the voters every six years for a renewal. This act does not apply to tracks licensed previous to May 1, 1948, or to state or county fairs.

#### LICENSES AND REGISTRATIONS

In accordance with section nine A of Chapter 128-A of the General Laws and to aid the Commission in the enforcement of rulings; owners, trainers, jockeys and agents at the horse tracks; owners and trainers at the dog tracks; and trainers and drivers at the harness track were licensed. Colors, assumed names, partnerships, minor agreements, etc., were registered by the Commission. Through this system of licenses and registrations a definite record of all persons participating in the racing is available to the Commission at all times. A nominal charge is made for each one of these licenses and registrations consistent with the charge made by other states. During the year 1948 a sum of \$5,992.00 was realized from this source. The Commission has found this system a most effective method of supervision.

#### REVENUE

During the year of 1948 (calendar) gross revenue to the Commonwealth from all racing amounted to \$8,436,130.44 as compared with \$8,985,531.41 for the year of 1947. The number of days of racing in 1948 was 374 as against 359 in the year of 1947. Wagering in the Commonwealth at horse and dog race meetings amounted to \$131,094,892.00 in 1948 as compared with \$138,502,869.00 in 1947.

#### THE NATIONAL ASSOCIATION OF STATE RACING COMMISSIONERS

The Commission has continued its membership in the National Association of State Racing Commissioners. This organization comprises the members of the Racing Commissions of twenty-two states where racing is legalized as well as the supervising authorities of Canada, Mexico and Cuba. The organization acts as a clearing house for changes in rules, statistical information and rulings of racing officials throughout the countries of North America. A regular and timely bulletin service is maintained from the office of the Secretary at Lexington, Kentucky. This bulletin contains the rulings of all tracks and Commissions

and is of vital importance to keep correctly the records of all persons connected with racing.

#### RESEARCH PROGRAM CONTINUED

A research program was undertaken by the Department of Legal Medicine of Harvard University under the direction of Professor Alan R. Moritz on July 1, 1947, through a grant of \$10,000 from several horse and dog racing associations in Massachusetts. Another grant of \$10,000 has been made in 1948 by the same Massachusetts racing associations to continue this program until June 30, 1949.

This particular research to determine ways and means for a quick detection of drugs that may have been administered to horses or dogs racing in Massachusetts has progressed in a manner encouraging to the Racing Commission, the Department of Legal Medicine of Harvard University and the contributing racing associations.

One early result of this research has been the discovery of a new method for quickly ascertaining whether persons found in an unconscious state from some unknown cause may be the victims of overdoses of barbiturates. The former test methods required approximately forty-eight hours to ascertain this fact. It is now possible to determine within thirty minutes after a blood sample has been obtained from an unconscious person whether his condition is due to the presence of an excessive amount of barbiturates. The Commission hopes and confidently expects that the continuance of this research program will produce other discoveries which will prove distinctly beneficial to humanity.

This project, begun by the Department of Legal Medicine of Harvard University, was the first of its kind in the country. Since that time similar projects have been initiated in Illinois, California, and several other states. The chemists engaged in these projects have set up a system of exchange of information as to the results obtained.

#### RECOMMENDATIONS

The Commission recommends that the following changes in the racing law be enacted. Drafts of bills covering these changes have been filed with the Secretary of State.

1. The elimination of certain restrictions now placed on the Commission in granting of licenses for horse and dog racing meetings.

In order to safeguard the best interests of racing within Massachusetts the State Racing Commission recommends certain important amendments to Chapter 128-A of the General Laws in order that it may be enabled to cope with any untoward circumstances which could well arise out of the current competitive rivalry existing between the horse racing tracks in Massachusetts, Rhode Island and New Hampshire. In the administration of the Massachusetts racing law this Commission cannot be unmindful of the substantial tax revenue derived annually by the Commonwealth from licensed horse racing.

The seasonal racing period in southern New England extends from March to November embracing at least 200 available racing days. Both Rhode Island and New Hampshire laws sanction horse racing for an unlimited number of days, whereas our Massachusetts law limits horse racing to the period between April 18 and August 14, plus the month of October, a total of approximately 130 days.

However, Section 3(f) of Chapter 128-A of the General Laws delimits the aggregate number of racing days in any one year to a maximum of 90 out of the 130 days available.

Section 3(h) further limits the minimum distance between which race tracks may be located within the Commonwealth to 50 miles, whereas the three competitive horse tracks in adjacent states are all located within

50 miles of the existing major track located within Massachusetts. The State Racing Commission respectfully submits the following recommendations:

- a. To provide that the horse racing season shall extend from April 1st to October 31st of each year and further provide that the Commission shall have discretion in the suspension of a horse racing meeting during any week in the period from August 15th to September 30th if such meeting is objected to by an incorporated agricultural or horticultural society whose fair is to be conducted between August 15th and September 30th within 25 miles of such horse racing meeting—and to provide that the society will be recompensed by the association conducting the horse racing meeting during the week of said fair for any loss resulting therefrom.
  - b. To provide that the dog racing season shall extend from April 1st to October 31st of each year and further provide that the Commission shall have discretion in the suspension of a dog racing meeting during any week in the period from August 15th to September 30th if such meeting is objected to by an incorporated agricultural or horticultural society whose fair is to be conducted between August 15th and September 30th within 25 miles of such dog racing meeting—and to provide that the society will be recompensed by the association conducting the dog racing meeting during the week of said fair for any loss resulting therefrom.
  - c. To provide that the number of days allowed for running horse racing meetings shall be at the discretion of the Commission.
  - d. To provide for the elimination of the provision of the law which forbids the licensing of a horse track within fifty miles of another licensed horse track, one mile or more in circumference. Retain the provision allowing only one horse track to operate within the Commonwealth at the same time—provided that two tracks may operate at the same time if they are 75 miles apart.
  - e. Eliminate the necessity of holding public hearings on applications for horse and dog racing meetings from applicants who were licensed during the previous calendar year, with ample protection to the voters of the town in which the track of an applicant is located to obtain a public hearing if they so desire.
  - f. To provide that the Commission may award extra days to harness horse racing meetings beyond the maximum allowed by law to make up for days lost through no fault of the licensee. This provision is now contained in the law with respect to running horse and dog racing meetings.
2. Additional legislation to provide for the strengthening of the Commission powers in the supervision of horse and dog racing meetings.

In line with the first recommendation of the Commission in recommending certain changes in the law in the matter of granting licenses it is further recommended that certain new legislation be passed to strengthen the power of the Commission in the matter of supervising such horse and dog racing meetings. The Commission is endeavoring to eliminate from the tracks of Massachusetts persons who are undesirable and practices that are inimical to the public interest.

- a. The Commission requests the power to extend the licensing power now granted under Chapter 128-A of the General Laws to include all persons who are charged with the care of horses and dogs and to all persons employed by licensees of the Commission.
- b. In connection with hearings held on persons charged with violation of the Commission's rules it is requested that the Commission be empowered to summon and swear witnesses.
- c. To provide that persons who within five years have been convicted of making a handbook, setting up and promoting a lottery or aiding and

abetting in any of the foregoing forms of wagering shall be barred from admission to the tracks and provided further that if, after being barred, he attempts to obtain admission to a track that he be penalized by fine or imprisonment.

- d. To provide for the definition of touting and prescribe penalties for persons found guilty of this practice.
  - e. To prohibit the dissemination of news, other than to accredited newspapers, of the results of races run that might be an aid to bookmaking establishments. To further provide that no wagers or instructions to wager shall be delivered to persons in attendance at the tracks that would tend to circumvent the law prohibiting comeback money being received at any track.
  - f. To provide for the licensing of persons who sell to the public their selections of winning horses. This practice now followed by some unscrupulous operators of selection sheets has mulcted the public of considerable sums of money through misrepresentation. The recommendation of the Commission would also provide that selections made by persons so licensed shall be filed with the Commission previous to the first race each day in order that the public would be protected against the near fraudulent method now being employed by some of these so-called tipsters.
3. Further recommendations and clarification of the present law.
    - a. To provide for a clarification of the present law with respect to the type of mechanical equipment required to be installed by licensees of the Commission.
    - b. To include all licensees of horse and dog racing meetings in the present provisions of Section 40 of Chapter 271 of the General Laws.

#### APPLICATIONS RECEIVED AND LICENSES GRANTED

During the year 1948 two applications were received from one association for licenses to conduct running horse racing meetings. Five applications were received from five associations for licenses to conduct dog racing meetings. Three applications were received from two associations for licenses to conduct harness horse racing meetings. Five applications were received from five associations for licenses to conduct running horse racing meetings in connection with fairs, and one application was received for a license to conduct a harness horse racing meeting in connection with a fair.

Public hearings were held in connection with the above applications in Boston, Revere, Dighton, Raynham, Foxboro, Topsfield, and Tyngsboro. One application for a dog racing meeting was denied, and one application for a harness horse racing meeting was denied; the following licenses were granted:

#### RUNNING HORSE RACING MEETING

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Eastern Racing Association, Inc. at Suffolk Downs, East Boston and Revere	1 mile	April 19—June 5 July 12—August 14	42 30 <hr/> 72

#### DOG RACING MEETING

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Massasoit Greyhound Association, Inc. at Raynham Park, Raynham		May 7—June 26	44
Bristol County Veterans' Charitable Foundation at Raynham Park, Raynham		June 28—July 3	6

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Revere Racing Association, Inc. at Wonderland Park, Revere		May 19—September 11	100
Taunton Greyhound Association, Inc. at Taunton Dog Track, Dighton		July 9—September 4	50

## RUNNING HORSE RACING MEETINGS AT FAIRS

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Weymouth Agricultural & Industrial Society, at Weymouth Fair, Weymouth	½ mile	August 16—21	6
Marshfield Agricultural & Horticultural Society at Marshfield Fair, Marshfield	½ mile	August 23—28	6
Barrington Fair Association at Barrington Fair, Great Barrington	½ mile	August 30—September 4	6
Hampshire, Franklin and Hampden Agricultural Society at Northampton Fair, Northampton	½ mile	September 6—11	6
Brockton Agricultural Society at Brockton Fair, Brockton	½ mile	September 13—18	6

## HARNESS HORSE RACING MEETING AT FAIR

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Essex Agricultural Society at Topsfield Fair, Topsfield	½ mile	August 30—September 4	6

## HARNESS RACING MEETING

<i>Association</i>	<i>Track</i>	<i>Dates</i>	<i>Days</i>
Bay State Harness Horse Racing & Breeding Association, Inc., at Bay State Raceway, Foxboro	½ mile	June 28—July 24 September 6—October 30	24 48
			<hr/> 72

A total of seventy-two days were allotted to running horse racing meetings as provided by Section 3, paragraph f, of Chapter 128-A of the General Laws.

A total of 200 days were allotted to dog racing meetings as provided by Section 3, paragraph g, of Chapter 128-A of the General Laws.

A total of seventy-two days were allotted to harness horse racing meetings as provided by section 3, paragraph j, of Chapter 128-A of the General Laws.

A total of thirty days were allotted to running horse racing meetings at fairs.

A total of six days were allotted to harness horse racing meeting at fairs.

A study of the following tables is self-explanatory:

## DISTRIBUTION OF STATE RACING COMMISSION FUND

Chapter 319 of the Acts of 1948 amended Section 15 of Chapter 128-A of the General Laws as follows: "The receipts paid into the state treasury under this chapter, after deducting therefrom the amount of expenses incurred by the commission in carrying out the provisions of this chapter, shall be credited to the old age assistance fund established under section eleven of chapter one hundred and eighteen A; except that so much of the payments as are made under section five by licensees conducting racing meetings in connection with a state or county fair shall be held as a separate fund for use in carrying out the provisions of paragraph (f) of section two of chapter one hundred and twenty-eight."

Respectfully submitted,

## STATE RACING COMMISSION

HAROLD R. ALLEN, *Chairman*

OWEN A. GALLAGHER, *Commissioner*

ALLAN M. MACLEOD, *Commissioner*

The principal financial items of this report are in agreement with the Comptroller's books.

October 5, 1948
